COVID-19 UPDATE: SCHOOL CLOSURE MARCH 23 - APRIL 10

Dear Families:

The Premier of Manitoba has just announced that **all schools across the province are to close from March 23 through April 10.**

Based on recommendations from Manitoba's Chief Provincial Public Health Officer, the the Province has taken this approach with the **goal of minimizing the spread of COVID-19.** Schools will **remain open next week** to allow teachers and staff to plan next steps.

As we have just received this information, **we will be communicating with all families again later this afternoon** with details on what will happen at Gray Academy over this three-week period.

Our High School Principal, Tracy White, is **meeting with all students in Grades 7-12 immediately** to provide them with this update and allow them to ask questions before they leave for the weekend.

Gray Academy faculty and staff will meet at the end of the school day today to discuss next steps. We will provide you with updates regarding distance learning opportunities (where possible), as well as specific details pertaining to our regular Passover break.

Our goal is to provide you with **as much detail as possible as quickly as possible**, so you can make plans for your family. We ask for your patience as we finalize these details.

Thank you,

Lori Binder
Head of School and CEO
